CURE Carols by Candlelight

The Chapel Royal of St. Peter ad Vincula, HM Tower of London

Wednesday 11th December 2019 at 6.30pm - 8.30pm

CURE International UK are honoured to invite you, your friends and family to this year’s CURE Carols by Candlelight service, on Wednesday 11th December at the Chapel Royal of St Peter ad Vincula, HM Tower of London.

This special service is led by Reverend Canon Roger Hall MBE, featuring music from the world famous Choir of the Chapels Royal, readings from special guests and the opportunity to visit the crypt. Following the service, we will be hosting a drinks reception in the Chapel Royal, which we would love for you to join.

The Chapel Royal is a unique venue for our Carol service, steeped in history, the site having been a place of worship for over a thousand years. It is also the burial place for some of the most famous prisoners at the Tower of London, including Sir Thomas More, John Fisher, and Queens Ann Boleyn, Catherine Howard and Jane Grey.

At this year’s service, we invite you to “Light up a Life” of someone this Christmas. CURE Carols by Candlelight is lit by tealights, scattered around the chapel, which glow throughout the service. We would like to dedicate these candles to those who deserve to shine, be remembered and celebrated. We invite you to write a name or a message on the candle insert and return to us in the envelope provided, so your candle and message will light the service as we are joined together.

You may want to light up the lives of your family and friends. You can remember and celebrate someone who may no longer be with us, or someone you are grateful to in your life. You might like to light up the lives of those working in the CURE Network; CURE staff who work in difficult locations to provide life-changing surgeries and compassionate care to children who need them. You can light up the lives of the children undergoing life changing treatment at our hospitals, and the children who are still suffering unnecessarily with a correctable disability, yet to be welcomed to CURE. We would like to celebrate those who are supporting CURE to allow all of this be possible. Even if you are unable to make the service, we welcome you to light up the life of someone anyway, simply return your candle insert to us and we’ll have it at the service.

Tickets for the Carol Service are £45.00 per person and children under the age of twelve can go free. Early Bird tickets are available at £40.00 per person and are on sale until Friday 25th October.

By far the easiest way to book your tickets is through our website uk.cure.org/events or you may return the enclosed ticket reservation form with a cheque or your card details.

All proceeds from CURE Carols by Candlelight will go towards enabling CURE to provide life-changing operations to children living with correctable conditions in underserved nations. A child born with a deformity in the developing world faces a future of permanent disability, and a lifetime of discrimination, rejection and poverty. We are working to change this and CURE Carols by Candlelight helps us do that!

We very much hope that you will be able to join us in celebration of Christmas and CURE.

With heartfelt gratitude and very early seasonal regards,

Yours sincerely,

Flora Gibbons, Chief Executive
