DESCRIPTION /AIMS	The ESTH BOA Foot & Ankle Fellowship provides a comprehensive , well rounded advanced clinical and surgical experience in all aspects of Foot & Ankle Surgery . You will be working with a team of two consultants supported by a surgical care practitioner, a specialist registrar, a trauma registrar, a SHO and a FT as well as physio team and a radiologist. The workload includes all routine F&A surgery – with particular emphasis on forefoot surgery, Minimally Invasive Surgery , complex deformity correction and diabetic foot management (MC) and Trauma. The majority of the F&A trauma is undertaken by the team – with a dedicated F&A trauma list. There is a fortnightly complex case meeting and MDT meetings with Vascular, diabetes and radiology teams. Participation in ongoing audit , research and publication is expected . There is an on call commitment and involvement in some general trauma. There is opportunity for independent clinics and independent operating lists. The post is suitable for those coming to the end of their training and wanting to follow a career in foot and ankle surgery .
