

## Avon Orthopaedic Centre (Bristol) Foot & Ankle Fellowship

There are 2 senior fellow posts that according to demand can be arranged for 6 or 12 months. The posts are open to both UK and overseas fellows of suitable qualifications. The Foot & Ankle team consultant team includes Ian Winson, Steve Hepple, Bill Harries, Peter Robinson and some sessions with James Livingstone visiting from Bristol Royal Infirmary. The department also has a fully integrated surgical podiatrist and one further training SpR

The team also contribute significantly to the running of the Major trauma centre which has some of the best outcomes nationwide.

There is plenty of opportunity to become involved in research projects with back up from the research and university teams.

### Typical week

3 supervised operating sessions in F&A. 1 unsupervised session per fortnight. 2-3 OPD clinics. Fracture clinic and trauma lists to fit with department. Regular MDT. No on call requirement.
