

## BOFAS APPROVED FOOT AND ANKLE FELLOWSHIP DETAILS

TITLE OF FELLOWSHIP	Senior Clinical Fellow Foot and Ankle and Diabetic Foot Reconstruction
CHIEF SUPERVISOR	Venu Kavarthapu
SUPERVISORS	Raju Ahluwalia Ines Reichert Tom Hester
CONTACT DETAILS	Lorna Lewis, Secretary to Venu Kavarthapu. 02032992185 Lorna.lewis@nhs.net
LENGTH	12 months
SALARIED	Senior Fellow salary scale
DESCRIPTION AND AIMS	King's College Hospital is a major trauma centre and has the largest diabetic foot unit in the UK. The fellow will join the senior on-call rota along with 11 other senior fellows and support complex general and foot and ankle trauma service, in addition to being part of a large multidisciplinary diabetic foot team. The fellow, along with 4 foot and ankle consultants, will contribute to the outpatient and inpatient elective foot and ankle and diabetic foot orthopaedic surgery care. This post will provide in-depth exposure to foot and ankle complex trauma, elective surgery, and complex Charcot foot reconstructions. The unit has active teaching and research programmes and the fellow is expected to play a lead role.
