

### **UK Fellowship Questionnaire**

Did the Fellowship fulfil the BOFAS criteria Yes  No

A good quality F&A Fellowship should provide a balance between surgical practice in theatre and of decision-making in outpatients, with at least two clinics and at least three theatre sessions per week. There should be a regular multi-disciplinary team meeting, study leave with both protected time and a budget, a paid session for research or audit and a clear mechanism for feedback.

**Please answer these questions in the free text box below.**

1. Which Year? April 2021 – April 2022

2. What was the annualised total number in your log book? (ie if 6/12 then double)

486

3. What was the % of cases that you were the lead surgeon for most of the procedure?

66%

4. How many academic publications are you highly likely to submit from your Fellowship (be honest)? 2 submitted, 1 further project ongoing

5. What were the highlights?

Plenty of elective theatre lists.

Started fellow lists early on in the fellowship.

Well supported by consultants.

Variety of foot & ankle pathology experienced including complex reconstructions.

British Orthopaedic Foot & Ankle Society
