

UK Fellowship Questionnaire

Did the Fellowship fulfil the BOFAS criteria *Yes*

A good quality F&A Fellowship should provide a balance between surgical practice in theatre and of decision-making in outpatients, with at least two clinics and at least three theatre sessions per week. There should be a regular multi-disciplinary team meeting, study leave with both protected time and a budget, a paid session for research or audit and a clear mechanism for feedback.

Please answer all the questions.

1. Your Name Sarang Kasture
2. Fellowship Centre Liverpool University Hospitals NHS Foundation Trust
3. In-charge Consultant (s) Mr Andy Molloy
4. Duration 6 months
5. Which Year From Aug 2021. To Feb 2022
6. What was the annualised total number in your logbook? (ie if 6/12 then double) 192 x2 = 384
7. What was the % of cases that you were the lead surgeon for most of the procedure? 70 %
8. How many academic publications are you highly likely to submit from your Fellowship (be honest)? 3 to 4, 1 book chapter
9. What were the highlights?(please answer in box)

This fellowship offers a good mix of elective and complex trauma cases. This is a friendly unit and there is always flexibility to attend any interesting theatre sessions with learning opportunities. Fellows run weekly subspecialty MDT where pre-operative, post-operative and complex cases are discussed. These sessions are immensely educational. There is ample of research opportunity. Mr Molloy is an excellent mentor and guide. Overall, this fellowship prepares you very well to step into the consultant role and is highly recommended.
