

## ***UK Fellowship Questionnaire***

Did the Fellowship fulfil the BOFAS criteria    Yes ☒    No ☐

A good quality F&A Fellowship should provide a balance between surgical practice in theatre and of decision-making in outpatients, with at least two clinics and at least three theatre sessions per week. There should be a regular multi-disciplinary team meeting, study leave with both protected time and a budget, a paid session for research or audit and a clear mechanism for feedback.

**Please answer all the questions.**

1. Your Name Akshdeep Bawa
2. Fellowship Centre Norfolk and Norwich
3. In-charge Consultant (s) Mr David Loveday
4. Duration 1 year
5. Which Year    From 2022    To 2023
6. What was the annualised total number in your logbook? (ie if 6/12 then double) 360
7. What was the % of cases that you were the lead surgeon for most of the procedure? 60-70
8. How many academic publications are you highly likely to submit from your Fellowship (be honest)? 3-4
9. What were the highlights?( please answer in box)

Even more important than the skill set, it has been the constant mentorship and support offered to me at every step that has been the highlight for me. The department does Diabetic feet/ankle arthroplasty, forefoot procedures as well as paediatric and deformity corrections.

My only regret is the elective centre hasn't been built yet which would have improved elective numbers significantly
