

UK Fellowship Questionnaire

Did the Fellowship fulfil the BOFAS criteria Yes No

A good quality F&A Fellowship should provide a balance between surgical practice in theatre and of decision-making in outpatients, with at least two clinics and at least three theatre sessions per week. There should be a regular multi-disciplinary team meeting, study leave with both protected time and a budget, a paid session for research or audit and a clear mechanism for feedback.

Please answer these questions in the free text box below.

1. Which Year?

October 2020 to October 2021

2. What was the annualised total number in your log book? (ie if 6/12 then double)

Circa 200 cases in a covid affected year

3. What was the % of cases that you were the lead surgeon for most of the procedure?

75%

4. How many academic publications are you highly likely to submit from your Fellowship (be honest)?

Four

5. What were the highlights?

Excellent training with right mix of supervision and free reign. Mix of skills amongst consultant body. Treatment like a consultant colleague. Consultants listen to your views and experience. Involvement in bringing new ways of managing patient care to the department as well as involvement at primary care level with liaising with CCGs for advice and guidance. Right level of tertiary level trauma to elective operating. Consultant on calls gives added air of seniority and responsibility to post.
