

UK Fellowship Questionnaire

Did the Fellowship fulfil the BOFAS criteria Yes No

A good quality F&A Fellowship should provide a balance between surgical practice in theatre and of decision-making in outpatients, with at least two clinics and at least three theatre sessions per week. There should be a regular multi-disciplinary team meeting, study leave with both protected time and a budget, a paid session for research or audit and a clear mechanism for feedback.

Please answer all the questions.

1. Your _____ Name
_____ Gideon _____ Wever _____
2. Fellowship _____ Centre _____ Southmead
Hospital _____
3. In-charge _____ Consultant _____ (s)
_____ Hepple/Winson/Harries/Robinson _____

8. How many academic publications are you highly likely to submit from your Fellowship (be honest)? _____ 1 _____
9. What were the highlights?(please answer in box)

I am only 2 months in

What is great is that you work with 4 different very experienced F&A surgeons

There is enough clinic patients and complex patients to see.

The hospital is really well setup

What is not so good:

Software systems and IT took me 2 months to get around and used to

All the operating for elective is unfortunately on one day so impossible to see all the cases.
