

UK Fellowship Questionnaire

Did the Fellowship fulfil the BOFAS criteria Yes No

A good quality F&A Fellowship should provide a balance between surgical practice in theatre and of decision-making in outpatients, with at least two clinics and at least three theatre sessions per week. There should be a regular multi-disciplinary team meeting, study leave with both protected time and a budget, a paid session for research or audit and a clear mechanism for feedback.

Please answer these questions in the free text box below.

1. Which Year?

2018

2. What was the annualised total number in your log book? (ie if 6/12 then double)

282

3. What was the % of cases that you were the lead surgeon for most of the procedure?

67% at S-TS and above

4. How many academic publications are you highly likely to submit from your Fellowship (be honest)?

2 publications achieved, possibly 1-2 more

5. What were the highlights?

Highly skilled, friendly and supportive trainers make this a productive and well rounded Fellowship that facilitates transition from Registrar to Consultant.

Good ratio between operative time, clinics, research and clinical governance. Timetable flexibility allows for autonomy enabling the fellow to define their own experiences. The department has a strong research ethos and offers ample opportunity for high quality research and CPD. This is a desirable fellowship offering valuable training of the highest calibre.
