Please answer these questions in the free text box below.

1. Which Year?
2. What was the annualised total number in your log book? (ie if 6/12 then double)
3. What was the % of cases that you were the lead surgeon for most of the procedure?
4. How many academic publications are you highly likely to submit from your Fellowship (be honest)?
5. What were the highlights?

- 1) 18/19
- 2) 420
- 3) 70-80%
- 4) 1- although this was using time I had and using existing contacts to collaborate. The Fellowship itself isn't research focused.
- 5) Supportive unit. Able to achieved all my CBD aims with generous support for study leave. Independent lists- able to tailor to developing ability.

I wanted to work with a young consultant and preparation for life as a junior consultant was excellent. I definitely have a friend and colleague for life to discuss things with going forward.

This fellowship definitely aided my ability to be gain a consultant's job and prepared me well for my future in a DGH.
