DESCRIPTION AND AIMS	The PEOC Foot & Ankle Fellowship provides a comprehensive , well rounded advanced clinical and surgical experience in all aspects of Foot & Ankle Surgery . You will be working with a team of three consultants and an associate specialist, supported by a surgical care practitioner, a specialist registrar, dedicated F&A physio team and 4 MSK radiologists. The workload includes all routine F&A surgery – with particular emphasis on ankle arthroplasty (primary and revision ITS), limb reconstruction (AH), neurological and complex deformity correction (NJT) and diabetic foot management (MC). The majority of the F&A trauma is undertaken by the team – with a dedicated F&A trauma list. There is a fortnightly complex case clinic and MDT meetings with Vascular, diabetes and radiology teams. Participation in ongoing audit , research and publication is expected . There is no on call commitment – but assistance with mid-grade rota is always appreciated! The post is suitable for those coming to the end of their training and wanting to follow a career in foot and ankle surgery .
